

503-MLBR and 533-LBR

Features new, more compact, DESTACO® Toggle Lock Plus locking system

DESTACO is now offering its heavy-duty Manual Clamps 503-MLB and 533-LB in combination with the unique DESTACO® Toggle Lock Plus. This provides additional safety and protection against unintentional opening. In addition this innovation helps customers to build up applications more efficiently and with little interference contour.

Product Highlights/Options

- Space-saving thanks to locking disc instead of second lever
- Saves work and time. No need to weld in the locking bar
- Secured in open and closed position
- 2 standard models, other models on request

CLAMPING
